- I saw the students...
- I saw the classroom...

Reflection

These are your "aha moments," "take-aways," or ideas you would like to revisit and explore as you reflect on your instruction in light of First Best Instruction.

I realize...so I will...

I am thinking about how I will...

I would like to challenge myself to...

I am reflecting about my use of...and how it...

I am reflecting about my use of...because I can see how...

I am reminded about the importance of...and so I need to...

I will replicate...as I recognize that it will help my students...

Actions/Needs Statements

These are thoughts you have for next steps or needs you have in light of First Best Instruction.

My next steps are to...

I still need... because...

I would like to learn more about...
